Miscellaneous Fees

- A course materials fee (CMF) is assessed to students enrolled in specially designated courses. The fee, which varies by section and is indicated in the course listings, is assessed to students enrolled in these courses at the end of the 5th week of instruction. Students who drop the course(s) after that date are not entitled to a refund of the CMF.
At this time, certain courses in Bioengineering, Biology, Chemistry, Earth and Planetary Science, Electrical Engineering, Geography, Integrative Biology, Journalism, Molecular and Cell Biology, Physical Education, and Physics require the CMF. Other courses may also require this fee.
- A Late Enrollment Fee of \$50 is charged to continuing students who are not enrolled in at least one class by the end of the third week of instruction.
- A Late Registration Fee of \$50 is charged to continuing students who fail to pay their registration fees (either in full or the first installment) by the fee payment deadline.
- An Add Fee of \$5 per course is charged to students who add classes after the third week of instruction.
- A Drop Fee of \$10 per course is charged to undergraduates who drop classes after the second week of instruction, and charged to graduate students who drop courses after the third week of instruction.

All fees are automatically billed to student accounts by the Campus Accounts Receivables System (CARS) and will be reflected on their monthly CARS billing statements. (NOTE: Registration fees for Fall 2005 will not be billed to students' accounts until late July 2005.)

Requests for waiver of add/drop or late fees must be substantiated with proof that failure to meet the deadline(s) was due to the action or inaction of the University. Direct requests for waivers to the Office of the Registrar, 120 Sproul Hall.

All fees are subject to change.
